PREMISES MANAGEMENT POLICY

GENERAL PRINCIPLES

This is a key policy of Hasmonean Multi-Academy Trust ("The Trust"). It applies to all members of the Trust community. This policy is available in printed form upon request or it can be accessed and downloaded via the Trust's website: www.hasmonean.co.uk.

The Trust seeks to implement this document through adherence to the procedures set out in the rest of this document.

The Trust is fully committed to ensuring that the application of this policy is non-discriminatory in line with the Equality Act 2010. Further details are available in the Trust's Equality Policy document.

This document is reviewed annually by Head of Finance or as events or legislation change requires.

BACKGROUND TO THE POLICY

The Independent School Standards Regulations 2014 prescribe the minimum standards for school premises for independent schools, including academies. Academies are also covered by the Workplace (Health, Safety and Welfare) Regulations 1992, which outline provisions that must be made in relation to the work environment.

Provisions that are covered by these regulations include: toilet facilities, medical facilities, fire, weather protection, noise, internal and external lighting, heating, temperature, ventilation, and water supply.

Trust meets all above provisions and standards required with reference to the funding available and where funding isn't available, difficult decisions need to be taken by the ELT and the Governors as to what should be prioritised.

The Trust gives due regard to the Regulations listed above.

POLICY STATEMENT

The premises of the Trust are constantly monitored by the Premises Manager, by the school caretaking team, by the School's Finance and Premises Committee, and by a range of teams/individuals who report their observations/concerns to the Head of Finance & Premises for attention.

Particular attention is paid to the following areas:
