

# Join the hundreds of Hasmonean parents who give their Chinuch Contributions through AAC.

- ✓ The simplest and most tax-efficient way to make charitable donations.
- ✓ NEW: AAC will give bonus funding to Hasmonean when you open and use your account.

# Why should I open an AAC account?

Whether you give a little or a lot, AAC makes giving tzedakah as tax-efficient and simple as possible by looking after all of your paperwork, record-keeping and procedures for you.

## Give more:

When you deposit money into your AAC account, we'll claim the Gift Aid for you. This means your account will automatically receive a bonus 25p from the government for every £1 you deposit.\*

## Give easily:

Make local and international donations to over 4,000 other charities, including fundraising campaigns, directly from your AAC account - using our online portal or vouchers.

## Give with clarity:

Your charitable giving records are always fully up-to-date and instantly accessible.

# How does Hasmonean benefit?

## They receive a share of our profits

Twice a year, Hasmonean receives a financial grant from AAC. This is generated from the small commission we deduct clients for servicing their accounts. As a non-profit community service, 100% of our profits are donated to schools and other educational establishments within the UK, including Hasmonean. In 2021/2022 alone we were proud to donate a total of over £900,000!

## Reduced administrative overheads

For any Chinuch Contributions or other donations made through us, Hasmonean's administration does not need to spend time processing these charitable donations and their associated Gift-Aid reclaim procedures.
